*Re: Natural Resources Defense Council v. U.S. Environmental Protection Agency ,
 No. 07 Civ 1751 (HBP)*

Dear Judge Pitman:

The parties continue to confer about settling the above-captioned case. Due to schedule conflicts, we will need another week or two to work out the details. Therefore, NRDC would like to request a second extension of two weeks to file its Rule 12(c) Motion for a Judgment on the Pleadings. Thank you.

Respectfully,

Mae C Wu
